

NingXia Red™

Imagine a juice that captures the extra potency of the **WHOLE NingXia wolfberry**, and magnifies it with the power of superfruits such as blueberry, pomegranate, red raspberry, apricots and dark grape. Now, it is a reality with Young Living's **NingXia Red** ("Ning-Sha"). The complete wolfberry benefits and activity are protected with a patented, gentle "Nutrient-Guard" preparation that uses all of the wolfberry's valuable parts.

Dynamic Energy and Stamina

Without harsh stimulant short-cuts (eg., green tea extract, refined sugars, caffeine, ephedra).

Matchless, Age-Defying Antioxidant Activity

With the highest levels of naturally occurring S-ORAC and ORAC activity.

Sustained Defense

Through a unique, optimizing blend, complete with clinically proven wolfberry protein-polysaccharides.

The NingXia Red Promise

The finest whole NingXia wolfberries, exclusive "Nutrient-Guard" preparation and all-natural, nutrient-dense ingredients combine to take you to a Whole New Level.

- o Offers the highest protection against the dangerous superoxide free radical as tested by Brunswick Laboratories' S-ORAC test.
- o Contains the power of the whole NingXia wolfberry and is packed with its polysaccharide-rich puree, with all the nutritional benefits (vitamins, minerals and phytochemicals) captured by a gentle, patented process.
- o Contains five of the richest sources of free-radical fighting antioxidants: wolfberry puree, blueberry, pomegranate, apricot and raspberry juices.
- o Includes the essential oils of lemon and orange, which contain the phytochemical d-limonene.
- o Has a low glycemic index of 10.6 (table sugar averages 83).
- o The NingXia wolfberry contains 18 amino acids, 21 trace minerals, 6 essential fatty acids, vitamins B1, B2, B6, C and E, protein and beta-carotene.
