NEW PRODUCTS

European Convention 2009

Young Living Europe is very pleased to be launching new products, here at our convention 2009!

Copaiba is the newest arrival to our family and will be a super addition to your collection!

We are also launching 2 new Roll-ons, Breathe Again and Stress Away, for quick and easy application!

Our Raindrop and Massage Oils have had a makeover and are looking fantastic!

Enjoy all the new friends, new opportunities, and new products that convention brings you!

Introducing **Copaiba**

Copaiba, Young Living's exclusive oil sourced in Brazil, boasts a rich history of providing relief from joint and stomach discomfort. Native healers traditionally used Copaiba's topical benefits to reduce skin irritations and soothe insect bites. Today Young Living harnesses its power in an all new essential single oil. It's also one of the key ingredients in Deep Relief and Breath Again Essential Oil Roll-On blends.

NEW Grapefruit Lip Balm

Now you can enjoy the refreshing citrus aroma of grapefruit while soothing and softening dry lips! A light and refreshing addition to daily lip care, Grapefruit Lip balm assists in the prevention of dryness.

Note: Research shows* that the level of grapefruit essential oil included in the Grapefruit Lip Balm should pose no photosensitivity issues.

Breathe Again Roll-On

Breathe Again™ Essential Oil Roll-On is a proprietary blend of oils specially formulated to support respiratory health. Breathe Again contains four powerful eucalyptus oils: Eucalyptus staigeriana, Eucalyptus globulus, Eucalyptus radiata, and Young Living's original Ecuador single, Eucalyptus blue. Eucalyptus oils contain high amounts of cineole, which has been studied for its potential to support healthy lung function. The essential oils peppermint, myrtle, and copaiba also play an integral part in this blend. Breathe Again is available in a portable roll-on applicator, making natural relief available anywhere.

Stress Away Roll-On

Young Living's Stress Away Essential Oil Roll-On is the perfect on-the-go natural solution to combat normal stresses that creep into everyday life. This unique blend of vanilla, lime, and other essential oils makes relieving daily stress convenient and easy. Vanilla, lime, and ocotea have never been used before in a Young Living essential oil blend. Stress Away uses copaiba essential oil, a product rarely found in North America and Europe. The unique roll-on applicator offers convenient, no-mess application for your favourite essential oils.

NEW Home Diffuser

Young Living's Home Diffuser combines the latest in diffuser technology with increased usability. By breaking up a mixture of water and essential oil into millions of micro-particles, the Home Diffuser disperses an aromatic mist into the air activating the beneficial constituents found in essential oils. This diffuser features continuous and interval timer settings and the option to relax with or without its soothing light system. Ideal for diffusing any of your favourite essential oils.
